This is the time the Pastor shares scripture from the Holy Bible and tells the history, context and story. There is often a reminder of how to live your life. This is often interactive with the Pastor asking questions and inviting comment or participation.

# Goal of worship:

- Spend time with God.
- Let God speak to us through community, song, prayer, scripture and speaking.
- Refresh our souls to walk out the doors to live and thrive in the world.

# Reminders for worship:

- Worship is open to all people: you don't have to act perfectly!
- Noise is not a problem in worship, but if you'd be more comfortable, the hallway is a great place to still hear and participate. Those glass windows keep a lot of sound out of the sanctuary.
- While some appreciate the stillness and quiet of worship, others need to move around. Please feel free to do so.

# Resources for worship:

- *Worship Bags and Aids* – in the hallway behind the sanctuary, we have a shelf full of fidgets, coloring books and pages, weighted lap pads, wiggle seats and fleece blankets. Use these supplies to help focus, settle or simply feel comfortable.
- *Calming Corner* – at the end of the hallway to the side of the sanctuary (past the restrooms) we have a calming corner set up, there are soft blankets, a noise-machine, a calm light, some fidgets and body-socks to help us when we are over-loaded and need some space.
